Please see the letter on p.1.c.f. from Sri.B.Mohan, Bellary, requesting for supply of the printed copies of G.O.Ms.No.704, Home d.2-3-53 and G.O.Ms.No.1037, Home d.28-3-53, Ordinarily copies of orders, petitions, representations etc. are furnished at their request to persons who are parties concerned in the matter. G.O.Ms.No.704, Home d.2-3-53 relates to a route in South Arcot district, whereas the petr. belongs to Bellary district. In a similar case at (N) the petr. therein was refused to be given a certified copy of a G.O.in the subject matter of which he had no concern. In this case the petr. has not asked for a certified copy of the G.O. at (B) but he has requested to be supplied with a printed copy. Subd. that there are no printed copies of the above G.O. In the circumstances it is for orders whether a copy of above G.O. may be given to petr. or whether he may be informed that a copy of the above G.O.cannot be supplied.

2.The other G.O. referred to by the petr. contains instructions issued by the Govt. to the C.R.T.Bd. and the R.T.Os regarding opening of new routes and grant of permits and they are not intended to be communicated to the outside public. There are no printed copies of this G.O. In a similar case Legal have held that G.Os which contain instructions to Transport Authorities need not be supplied to outsiders as they are not entitled to get copies of those G.Os. Please see extract of Legal note at 'A' on p.1. of (V) It is for orders whether a copy of G.O. at (Z) may be refused. If it is considered that certified

copies of any or both of the G.Os referred to above may be given to the petr. he may be asked to send the sufficient no. of stamp papers.

3. As regards search fee, under para 643 (1).(A)(a) of the Sectt. Office Manual, the applicant need not pay any search fee as both the G.Os. requested by the applicant relate to the current year.

Under para 643-(2) of the Sectt. office Manual, the Govt. will decide in each case whether or not copies of any document can be granted. This will depend on the contents of the documents itself, the general principle being that no copy will be granted of any document, official or demi-official, which is either of a confidential character or in the opinion of the Govt. of a nature which renders the grant of a copy injurious to the public interest.

The discretion may be exercised by a refusal.

Copies of the GOs may be refused.
1.7.1953

Copies of G.Os, I presume are normally given to those who were parties to the G.Os concerned. I think any applicant for a record should state the purpose why the record/paper is required. This is insisted upon in the High Court, unless the copies are required by the actual parties in a case for further proceedings. In this case, in addition, no printed copies are available. The copies may be refused
